Details of Service Provider:

Profile Name: Super Busty Sophie 36HH

The Premises:

On tour at hotel near to M25 Services - easy access, either walk in through reception (nobody bothers you as it is used by lots of business people for meetings) or via doors in rear car park.

Usual hotel room decor etc (but note that Sophie brings her own towels so there's always a dry one to shower with)

The Lady:

Great face with luscious lips and long blond hair - of course if you've checked out the web site you'll have seen the gorgeous boobs which are clearly natural and have quite sensitive nipples - easily aroused. Her body is in proportion to the boobs, not fat but perhaps a little cuddly is a a far description, and a great arse.

The Story:

She was really friendly as soon as we met and offered to undress me - how could I refuse - but before she got too far I had to get my hands on her boobs, so that part got short circuited. I won't go into full details, but suffice to say her oral technique is great - on this occasion my performance was a bit rushed, so some of my hour was spent chatting. Nice shower afterwards, before leaving her. (Great to note she remained naked until I'd left instead of rushing to cover up as some girls do)
