### The Premises:

Well known locally as a comfortable, well-furnished, safe location.

### The Lady:

As shown in the photographs on the Georgian website, except for her hair colour. She is, in fact, a brunette with perhaps a slight tinge of ginger or chestnut, but definitely is not a red-head as shown in the photographs.

I found her very attractive, with a slim figure and a pleasant, friendly face. A pleasant personality, too. She can maintain her end of an intelligent conversation.

### The Story:

A very nice girl. All that is the very best in the English working girl.

Although Heather offers a variety of services (see the Georgian website), all that I am interested in when I visit a sauna is a GFE (kiss and cuddle) type of service, whenever I can get one. My report is therefore limited to this aspect, which turned out to be highly successful.

Heather was absolutely first-rate. She is the sort of girl who seems to positively enjoy giving pleasure to her customer. I felt very intimate with her, and (without her explicitly saying as much) she gave me the impression that she felt equally intimate with me. She was sexually responsive, and had the knack of quietly encouraging me onwards - I am sometimes a rather nervous punter - without being in any way sexually aggressive. The result was a free-flowing and highly enjoyable session with her. I shall be back for more.

She cuddled and kissed as if she was in love with me. Impossible, of course, but let me dream on.
