The Story:

When I saw her pics I knew I met her 2 years ago when she was working for another agency. The memories of her made me book for 90 mins. When I saw her, she recognised me with a smile. Initially I hardly recognised her. A bit more weight on and her hair not as blond and not as tidy. Before I made the booking I was surprised to see so mixed reviews of her on the Agency's website. Either very positive (as I would have written 2 years ago) or negative as I am writing now. A nice meal after meeting this very disappointing meeting made me forget her. You have been warned!!!
