The Story:

Carice arrived on time. I should have turned her away almost straight away because of her attitude. She clearly didnt want to be here. Talked about herself too much. Wont go into the personal stuff but suffice to say it was only just acceptable. The old man had difficulty in standing up for himself and had to do most of the end work myself.

Service Provider's Rebuttal

The agency writes:

This report is a complete fabrication. There are no other reports posted by this member and this report is factually incorrect. Having checked our records, I can confirm that Carice was actually away from the beginning of April and has only just returned, plus the price for a 2 hour booking is incorrect. On that note, if this person "should have turned her away almost straight away" why did he book her for 2 hours? Carice is a soft, friendly and pretty young lady who always offers a lovely girlfriend experience.
