The Premises:

This place is not the easiest to find but safe enough

The Lady:

Indian girl, mid to late 20's at a guess. About 5ft 4ins. Nicely toned figure, decent tits. Her face is hidden on website, but is certainly pretty, although I wouldn't rave about her quite as much as some of the other reports.

The Story:

Reena comes across as a likeable, chatty young lady who does her best to give you a good time and succeeds. Sex in various positions and shows a really good attitude.

I wouldn't say she's the best girl around, but at the price she is very good value for money. I'm sure I'll be back
