### The Premises:

There are rear and front entrances. The front entrance is a discreet doorway on Nantwich Road just over 5 minutes walk from the station. The stairway area leading to Brooklyns door is kept in much better order than when I used the parlour more regularly a few years ago. The interior is improved too and I wouldn't have expected a stack of clean fluffy towels in the room on previous visits. A friendly receptionist opened door. Shown to the bigger of the 2 rooms with the high bed and the en suite shower.

### The Lady:

Very attractive, about 5'8" leggy and curvy, dark-haired in her 20s with lovely eyes. She was wearing a close-fitting white mini dress with a black and white chiffon scarf and high-heeled brown sandals with brown or bronze nail polish. These were both classy touches which made her more like a girlfriend than a parlour girl.

### The Story:

Lacey's entrance was well-timed. I'd just started towelling away the last dampness from my shower when she came in with a cheery hello.

Lacey stripped down to matching sexy white lace bra and knickers and joined me on the bed for my back rub. There were pleasant tingles whilst I was face down, though Lacey's massage was even better on my front side with little kisses and some nice sucking on my nipples.

The session proceeded with Oral (covered my preference) and highly enjoyable sex in a couple of positions.

My response was unusually slow - which I assured Lacey was down to me - so we agreed a hand job and this was delivered thoughtfully and skillfully.

There was no rush. In the few minutes remaining we chatted about the girls in another parlour in another area where Lacey had previously worked.

Lacey is friendly, attentive and easy to talk with. She is flexible and relaxed and took my lack of peak performance in her stride. Not many girls have the knack of making you feel so good when, perhaps, you ought to have suspected in advance that you weren't quite up for it and left it to another day.

Many thanks, Lacey. You are a Super\*
