The Story:

I waited a few minutes in the room and was soon joined by Jo-Jo, on my request she wore a schoolgirl uniform, and looks awesome in this, like in the photo's, after sitting on my knee and getting friendly, she was soon bent over my knee and having her pert buttocks turned a good shade of red, no reason apart from she said I could, some fantastic kissing then took place as I slowly removed her garments and got Jo Jo onto the bed, we started with me devouring her slim body, and ending up with my head between her legs, with what has to be said is quite a sight to behold of beauty, if you have not been there you wont know quite what I mean.

I was soon getting very aroused by her actions on me, and felt the sap rising so to speak, at this point it was on with the rubber and a spot of cowgirl had me in the realms of fantasy, to have a 19 year old blonde beauty shagging me like I was mr perfect was truly what a punt is about, I wanted to come then, but we got the rubber off and she brought me to relief on her hands by masturbation slowly, the thing is, as I came and it spurted out, I could feel the cum building up again and as she carried on I came again about 10 seconds later, which is quite a rare event for me, to have it happen on seeing someone for the first time shows what a sex worker this lady really is.

Top marks to the receptionist Monica for the charming service she provided while multi tasking and making me feel so welcomed.
