Recommended: Yes

Details of Service Provider:

Profile Name: Home Of London Escorts-Agency Barracuda

Website: <http://www.agencybarracuda.co.uk>

Phone: 07912673063

The Premises:

Small studio in a well known managed block. Fit for purpose.

The Lady:

Slim, nice breast and good body for a woman of her age. She is in her mid 30s, and judging from the pictures on the website, she is very photo-genic.

The Story:

She offered me drink of wine, beer or water. I went for water while she poured herself a glass of beer. Keep asking me several unnecessary questions. It was later on I understood her reason for trying to kill time with questions. After 20 mins of Q & A, I asked her to move closer to me. Then I started touching her. I then undress, which she did the same. Then she brought out a condom for blowjob. I asked for OWO, but she declined, saying that the agency should have told me that she doesn't offer OWO. No kissing on lips. The blowjob was just licking on the tip of my dick. I felt nothing. Then she climbed on me, after much lubricant. To her credit, her pussy is tight. She rode me, but wouldn't let me fully inside her. After about two minutes of that, I decided I needed a good shag for my money, so I picked her up turned her around and laid her back on the bed. During this process, my dick came out of her, and there was blood everyway. First, she pretended to be surprised, then apologetic. she claimed she didn't know she is on menstration. The amount of blood involve cannot be just the beginning, she was in the middle of her period. She took the condom off me and I ran to take a shower. when I can back, she offered to give me a blow job, but judging from the earlier OW, I refused. She then gave me back ?50. I left very disapointed. I have read good reviews about this woman, but she is becoming complesant. during my short visit to her, she had on 3 occasions replied to her text messegges, apologising and telling me that she has too much work. I would only recomend her to those who like oral with condem. I will not return.
