The Premises:

Tatty bedsit in tidy block right on Queensway near the Underground.
A little grubby but the hot water worked in the shower. Bed was too soft.

The Lady:

Pretty petite blonde, all natural. Smoker so her teeth weren't the whitest of white which was somewhat ironic as she said she was studying dentistry back home.

The Story:

A reluctant girl who had made no effort to dress up in lingerie. Was more inclined to sit and text or watch telly.
once I managed to get her to the bed and get her undressed she seemed fairly willing and compliant although no DFK. She responded well and genuinely to reverse oral and sex.
Think this lass would flourish with a bit more attention and another visit if she were in a nicer setting.
Not the greatest but perhaps worth a try if you've a little patience for her looks. No surprise that the photos are heavily re-touched.
