### The Premises:

A small studio flat in a large block in a very up-market part of London. Although quite small it was very clean and tidy. From what I understand it is rented by the agency and is quite adequate for the purpose.

### The Lady:

Olivia is in her mid-twenties, about 5'7, with shoulder length blonde hair. She is more beautiful in the flesh than in her pics on the agency site.

Anyone looking for a waif like model type look somewhere else as Olivia has a great curvaceous, ample figure (not fat) with a magnificent pair of (natural) breasts, which I couldn't keep my hands off!

### The Story:

I've been meaning to see Olivia for some time now, so with some time off work I finally made an appointment. The address I was given by the agency was easy to find. When Olivia answered the door, I was pleasantly surprised, the pictures on her web-page do not do her justice. She greeted me wearing a short skirt showing off her stockings, and a very tight blouse that showed off her ample bosom a treat.

Olivia immediately came across as a very friendly, sweet girl, who put me at ease straight away. Started on the bed kissing and cuddling, while undressing each other. I must say that Olivia has a delicious, bountiful, body which I could not keep my hands off!

She then proceeded to give me BBBJ, me kneeling on the bed, and her on all fours sucking.... heaven! I would also like to point out that Olivia has a pierced tongue, which she puts to good use!. Then it was her turn.

Oh what joy it was to have my head between those heavenly thighs, eating that sweet pussy!!!

Olivia told me she really enjoys her pussy licked and it showed. She became very red faced and started moaning appreciatively, which really got me excited.

Anyway, a bit more oral for me with a lot of spitting on my cock, and then she proceeded to give me the most amazing tit-fuck ever. Boy she does know how to use her ample bosom.. amazing!! I soon came in between her breasts and even then she didn't stop until I was in ecstasy!

After she cleaned herself up, we lay on the bed awhile kissing, cuddling and chatting about things. As I've said, Olivia is a very friendly girl and great to talk to. The sort of girl you would love to meet

in the pub.

Soon we were back at it again, with me once more giving her attention downstairs which she told me I do rather well:) how sweet of her!! On my back for some more work with her mouth and breasts and then on with johnny for an amazing ride with Olivia on top.

The vision of her bouncing on my cock with her boobies going wild is one that is going to stay with me for a long time!! Wow!

A quick shower afterwards and a pleasant chat over a much needed glass of chilled water and it was soon for me to be on my way (although I wasn't rushed in any way, definitely not a clock watcher). How fast the time flew and what a fantastic way to spend a day off work.

Olivia if you read this you are a real sweetheart and hope to see you again.
