### The Premises:

This was a very nice, modern, bright flat in a secure complex. Everything was very clean and tasteful, including a lovely bathroom with great shower and clean towels. It's only a short walk from the tube, and the area is very safe. Make sure you understand the entrance procedure clearly, because there is a porter at the entrance, but this is nice for security.

### The Lady:

What can I say?! If you like tall, shapely blonde babes with perfect skin, and all the curves in the right places, you won't go wrong with Natalie. She is simply stunning, and has that wonderful cheekbone structure, so unique to East European ladies. She has a beautiful figure, with lovely, soft, natural tits, which are nevertheless very buoyant. She actually looks even better than her website pictures (which are pretty good). She's one of those girls who seems to have stepped out of our wildest fantasies; I had to pinch myself to make sure I wasn't dreaming.

### The Story:

I had a fantastic time with Natalie; I won't go into too much detail, but rest assured she is very passionate, and really seems to like what she's doing. She seems to be up for most things with the exception of A levels, and that wasn't a problem for me. She dressed as I requested in a very sexy, skimpy secretary outfit, with stunning fishnet stocking and heels; she looked breathtaking. Her English is excellent, and she played along with a little, boss/secretary roleplay fantasy brilliantly. We kissed passionately, and she gave wonderful, lascivious OWO; just sublime! And the sex was sensational! We had a lovely, laid back chat afterwards; she really is a natural, pleasant girl, with no false gushing. I wish her well. If you treat this lady with the respect she deserves, she will give you a great experience. The people at the agency were also helpful and friendly. A beautiful sunny day completed the perfect experience.
