The Story:

I visited Dee's in Morden (sadly closed) and saw Debbie maiding. I decided then I had to see her in the bedroom.

She did not disappoint me, helping me undress and stroking, kissing and sucking most parts of my body.

She is willing to do most things and certainly liked my tongue action, encouraging me to do it a number of times.

Her assisted shower is a treat in itself and as a prelude to a good session in her room - but she made me show lysha what she was missing! I couldn't persuade her to join in!!!!

A good session of reverse oral, covered BJ and sex ensued with Debbie using a vibrator round my shaft to give us both untold pleasures.

Needless to say I enjoyed my visit and will return to see Debbie and hopefully all her other friends.

Keep up the great work Debbie - I'll be back.
