The Premises:

A really excellent flat, very spacious and excellent furniture. Although she shares the flat, clearly her flatmate was not around to start with, as most of the furniture in the lounge we put to interesting uses not intended by the designers.

The Lady:

Kamila photographs well, and the photos tell the truth. She is what used to be called a ?handsome? woman ? tall and beautifully pulchritudinous figure though all beautifully firm and toned, a happy and frequent smile and a whole personality made for sex. She speaks very good English, is funny and bright ? in total, a perfect woman to spend a pleasant spring afternoon in bed (and other places) with.

The Story:

I am certainly not going to give you a blow by blow account (one of her specialties that, by the way!) but within a couple of minutes we had got the business out of the way and glasses of very pleasant red wine in hand, and a couple more minutes saw us naked and testing out the furniture and floor with oral which she does sensationally well, and reverse oral, which she adored and responded to loudly and damply. In the course of the next 90 minutes I fucked her in half a dozen different ways around the flat, and when I wasn't doing that her hands and mouth were busy all over my body. She is an interesting and talented woman, and in truth, she would make a wonderful courtesan or mistress ? she is totally committed to pleasuring you - and she does. Kamila, you are sensational.

Yet another great girl from ATOC ? if ask Susan and Michael for a recommendation and take it, you can't go wrong.
