Pretty much looks like pics on site. Would however describe chest in A size rather than B...

The Story:

Does all girls in this trade today believe in one mantra: Make punter come as many times as possible in the time given?

This is not just Vanessa, but many others too, have NO feeling for the erotic nor sensuality, just the above mantra.

And as I CIM after a good BBJ within 10 minutes there need to be more than JUST stimulation of my d**k... Maybe I'm just getting picky and expecting more than is delivered today.

Vanessa is however skilled, nice, chatty, slim (you name it) but she need to add a bit more to get higher marks from me. 5/10 over all.
