The Premises:

Main road but good, safe, front and rear parking. The shop is undergoing re-fitting and may become upstairs only - access at rear.

The Lady:

18 - 20 years, pretty, nicely dressed. 36D breasts and trimmed pussy. The kind I'd usually bag at the end of a 'normal' night out

The Story:

Not a lot of personality and fairly functional approach - 2 mins back massage then turn over for some perfunctory wanking and trying to put the condom on before he was ready for it. ? 10 extra for anything other than one act - decided to see what she tasted like but I'd lost heart (for the third punt on the trot now!). So I blew ? 40 for sweet FA again. I'm getting far too fussy in the rooms!
