The Premises:

Very near Earls Court station and good/safe area. Her apartment was on top floor but only a short climb. Good shower and clean. Her room was basic but again clean. Small wall mirror so dissappointed. 8/10 for room.

The Lady:

Exactly as web site. Blue eye blonde hair and very fit/tone figure. Im a bum man and her is big so 10/10. Shame she is only a B cup but i knew this from the web site before booking, small and heading south so only 3/10 for that department.

The Story:

Started off very cold, no offer of drinks or even a hello. Wanted to leave but decided to stay. She waited for me to hand over the present. How rude!! Gave me a towel and told to shower. OWO was very very light. Only go down to an inch. What kind of owo. 2/10. She allow cim but i shot over body. 10/10. S.x in different positions and she was willing to let me take control but she look bored. 2/10. Very off putting. In between she gave a very good/firm massage 8/10. Very fit body and i enjoyed that by giving her an masage. 10/10. Overall not one i will return but as i always say. If you like to do most of the work then i highly recommend.

BTW, i posted a report on Natalie on their site but think they only post positive report so as my was slightly negative dont think i'll see it there. I'm started to ignore those reports on their site.
