Giselle is gorgeous. Lovely blonde hair, and an amazing body with a shaved pussy. She calls you "baybee" in that Brazillian accent.

Her english is excellent and she can hold a very good coversation which shows her intellegence.

### The Story:

She peforms an erotic massage to start with which I initially declined but then accepted. I good have had that all day, it was fantastic and consisted of her kissing and licking whilst you lie facing down. She rubs her body and her breasts all over you and uses her mouth to great satisfaction. You must do this!!!!

Oral was good. She prefers for you to wear a condom on your finger if you wish to finger her! mmmmm!

Sex started with cowgirl which was great. We then tried anal, however she likes to control and does not like full pentrations so it was in spoons and then on her back with her hand in the way to prevent much happening. I was dissappointed about this.

We followed on, after a change in condom, with doggy which was just amazing, and then I asked if I could cum in her mouth, She said yes, but when we did it she kept her mouth closed and if went on her mouth and in her hand.

Over all dissappointed with some of the services, but extactic about other parts of it. She performs a decent GFE for which I would recommend a visit.
