The Premises:

Babes Bury is being refurnished and when completed will no doubt look good. One of the most welcoming parlours as all the receptionists at this, and Swinton, are exceptionally pleasant. Parking is fine either off or on-site and generally it's an ok area.

The Lady:

What can I say about Elle that hasn't been said before. Well, she has the looks and she has the personality, which is what matters. In her early twenties - my guess 24 - looks like Britney Spear's sister (don't know if Brit actually has one, but if she hasn't then it should be Elle), large enhanced boobs, a lovely curvy size 8, about 5,5, and at the time of my visit was dressed to thrill in a figure hugging number which sent my blood pressure skyward! Oh and she is really really pretty. What a girl!!

The Story:

I've had the company of Elle on two previous occasions, so this was my third. Apart from her good looks, what sets her apart from many others is her friendly and engaging personality. I'm sure this is her, rather than me so to speak.

Of course, that's not to forget her sensual (it's the only word to describe it) and very sexy little ways. Now I'm not a man averse to the occasional pse, but Elle's way is just lovely, slower and sensitive. Something that I really want to take my time over, so as not to miss anything and to build to an earth shattering climax - one can only dream! Actually we didn't do too badly!! Take care Elle and save a place for me you sexy little minx!!!
