The Premises:

Close to tube, top floor flat with a sitting room, small bathroom with a shower, got bad smell. Area is good, felt safe.

The Lady:

Tall, slim fit tanned body with a small tits but hard nipples, nice bum. She is similar like her picture but looks little bit older and tired. She is Russian and not 26 at all.

The Story:

I had a plan to visit her from long time. I read her reviews here, its true. She did dfk and allowed me to finger her two holes, she enjoyed when I was rubbing her clit and tried to put my finger to her dirty hole. She was not so fresh which I usually get from others.

Everything was on offer except A. She did her job perfectly (bbbj and cim), I can't find her fault. She was expecting some clients may be after me so did my shower after sex in rush.

Recommended to others but I will not return.

Looks 6/10, appartment 6/10, service 8/10

Still I am horney about Natalie and Cheryl at ATOC.
