The Premises:

Morgans has a real nice cosy house at the end of an easy to find cul de sac. The place itself is very tidy, clean and immaculate. Directions are easy to find, and there is plenty of space for parking.

The Lady:

Exactly as what see in her pictures only better in person. Wonderful physique, soft skin... you can see that this lady looks after herself very well. Morgan was elegantly dressed in her office uniform and looked every piece of a fine lady. She also has the gift of making you feel relaxed and so good too!!

The Story:

As soon as I got to the house she opened the bottle of wine I took over, (med white if anyone is thinking of taking a bottle), and proceeded to have an interesting conversation. Once the finer details had been ironed out, the temperature rose and the fun began. The lovely Morgan then took me up to her "Lair of Love", (that be the bedroom), in which we proceeded to have a absolutely wonderful experience, (no details enclosed as they stay in that bedroom), however make good use of the mirrors!!! Morgan you are an absolute star. I would recommend this lady to the world if I was multi lingual.
