The Lady:

Isabella has only two flaws that I was able to detect in my hour with her. Her English is terrible, and she has a 4-inch stylized tiger face tatoo on the back of her left shoulder (which she told me she got when she "was 15, four years ago"). To compensate, she is very pretty, has a wonderful body, with heavy full breasts and one of the tightest snatches I've had the good fortune to experience in many, many years. I'm not unusually endowed, but for Isabella I had to enter very slowly and carefully, just as I would imagine things would be if I were blessed more substantially.

The Story:

Every movement of mine seemed to be hitting "just the right spot" as we went at it missionary. It's a very flattering experience ? to seem to be so well endowed ? and it followed an average but enthusiastic bbbj, a very responsive daty eperience, and lots of very nice dfk. And, nicest of all, I came like a firetruck for the second night in a row, with a partner that made me feel like I was 20 years old again. Priceless.
