French Caribbean girl with a lovely pair of tits

### The Story:

Took pot luck as neither girl on today is on their website. Offered a drink and a short time later was introduced to the 2 girls on today. Chose Lisa solely on her ample chest. Has a shower and waited her arrival. Obligatory back rub to start then I realised I'd made the wrong decision. No kissing, no owo, and she wanted ?10 for wearing a uniform(which I declined). Oh well I thought, at least I can unload over those lovely jugs can't I ???? No prizes for getting what the answer was. Avoid like the proverbial plague.
