The Premises:

Met At Angels Flat, which is located in quiet residential area with good parking. Felt extremely safe in a nice warm clean flat

The Lady:

Angel is a beautiful girl, much prettier than her websire portrays. The most gorgeous green eyes that she uses to look deep into your soul. If your a breast man you wont be disappointed either. Angel is about more than looks however, she has a fantastic warm personality which will put the first timer immediately at ease. She also loves her sex which makes a huge difference

The Story:

I have met Angel on a number of occassions and have experienced the works. I would personally recommend the GFE experience, she is simply the best. I cant get enough of this lady she just keeps getting better.
