The Lady:

Ruth has a fantastic physique and posture and it is obvious she takes pride in her appearance and enjoys exercise in her free time. She has the most amazing toned hips, thighs and calves that I have ever seen up close. Her breasts are small and pert with large mouthwatering nipples. Her face is reminiscent of a more youthful and less skinny Nicole Kidman before the plastic surgery took its toll.

The Story:

I made contact with Ruth because I find healthy and athletic women very attractive. She comes across in correspondence and conversation as intelligent, warm and refreshingly honest. In person her character radiates sex appeal, but at the same time it is easy to feel relaxed and at ease in her company. She is very eager to please and open to new ideas and suggestions.

One of her most endearing characteristics is the way she makes eye contact and smiles, not just staring blankly into the distance, and this does not appear in any way false but gives the impression of a genuine enthusiasm and enjoyment for her work. She is naturally strawberry blonde and keeps a beautiful full length tuft above the mound of venus and clean shaven below. Her taste is indescribably delicious and I could have spent hours down there. Another remarkable thing is her sense of rhythm and energy, and it felt absolutely incredible as she was crouched above me using her arms and legs to effortlessly thrust up and down until she became too physically exhausted to continue.

Some escorts I have met create a persona that comes across as totally unnatural. They feign orgasms in with unrealistic rapidity to massage your ego, tell you lots of contradictory BS, etc. . This is not the case with Ruth, you are getting authenticity from a true professional.
