The Premises:

ok flat in a quiet mews, Inside the flat the furnishings are very dated. The shower was only cold water. The agency were excellent in arranging the meeting and when i couldn't find the address they looked it up and called me back. Very impressed

The Lady:

Ok-i tell it like it is rather than the glossy reports that are already in circulation 4 nicole. She is the girl in the photos. But mr. Photoshop has worked overtime. She has a 5 year old child and is mid 30's. Her hair is short and teeth in a bad way. Certainly not the young babe i had expected based on other reports.

The Story:

i arrived on time and rang the bell to no answer. I had to call the agency to get them to get nic to answer the door. I was attracted by the prospect of a young anal babe but she was a lot older than reported and expected. In short-we shared a bottle of wine and moved to bedroom. Dfk and bbbj were on offer. Ended with a bit of anal and came on her tits. round 2 was much of the same but she was so different to what i had expected i didn't manage a 2nd cum i met kate on the way to bathroom -the chance of a 'free' 2 girl as previously reported seemed remote and would not be a reason 4 visiting. Overall, N is a nice lady. A lot older than the pics. All services on offer. But in my opinion def not worth 150 an hour.
