The Lady:

sydney came dressed very casually, comfortable and discreet. But quite sexy.

She is lovely. A very sweet blonde girl-next-door. you could meet her in a shop, a pub or a club. she looks like a right-on party-girl and I would happily go out with her, very sexy indeed.

her happy outlook on life shows in the sparkle in her eyes and in the smile on her face. This girl is enjoying Life!

The Story:

sydney is very energetic and that is contagious. it may have been a long day for me, but sydney is an excellent remedy against any fatigue or depression.

sydney is wild. don't you wish your girlfriend was hot like sydney her kiss will wake a dead man. her embrace is divine. her attitude, her whole presence is an invite and a turn-on.

sydney is a natural talent. she is a wonderful gfe, and we had our lips locked for most of the date, except to breathe. sydney is in good shape too: It is amazing how she can kiss in just about any position. sydney knows how to please. she is clearly experienced, but never treats you as a routine-job.

she is 100% with you all the time.

we had a wonderful, exhausting session. this lady can wear out any man. and she will - she is not a clockwatcher. both ended up glowing hot, and a charming red blush, sydney looks even more beautiful and desirable.

afterward i was thoroughly knackered and all I could do was desperately hug my pillow and cherish the wonderful memories on my mind. I slept very well that night.
highly recommended.
