### The Premises:

Good flat upstairs in Sussex Gardens

### The Lady:

Tall, skinny, fantastic body, lovely blue eyes but one criticism - needs to pay more attention to grooming ie hair removal on tummy etc!!

### The Story:

As requested she was wearing knee high black stockings and high heels a la the website. These stayed on for the duration - great. Started by running my hands all over her gorgeous body and removing bra and undies. Sat her on the bed and stood on the bed before her and leant forward against the wall as she grabbed me with one hand behind my balls and feasted on my cock. Really good head. Proceeded to doggy and mish with some intermittent ball sucking to hold on to my load. Finished in her face. Nice Russian girl and well recommended but get waxing!!
