The Premises:

Easy ish to find , good flat as working girls flats go. CSS (clean safe and secure)

The Lady:

Well been out of the game for a lone time and wanted to start off again with something BIG. A real great punt to ease me back in. Well I certainly got big, check out the tits on this - GG and fealt real to me.

Nice ebony British lady with a sexy accent (well i think so anyways) good body, but even better tits. You really can get lost in them

The Story:

Nice attitude which I found refreshing as some of the home grown tallent can be somewhat lacking. Oral followed but lots of jug playing more oral and se doggy. Didnt have the balls to ask her to go on to incase either she or me got hurt in the attempt.

Skills are good and not a clock watcher.

if you are a man who likes his jugs on the super large size this is one for the list
