### The Premises:

As described in all other reports, very well presented. Excellent. I couldn't get the DVD to work in my room (room 2), but clean, new and good sized shower in the large room.

### The Lady:

Peaches is pretty, she wasn't wearing make-up and looked much younger than I expected. She has a very slim body, slimmer than I thought when I saw her pictures online, but her pictures are accurate. Her breasts are lovely and her pussy was closely trimmed.

### The Story:

As previously reported, Peaches is a very quiet and gentle person. I asked to massage her, unfortunately she didn't want to use lotion which would have helped me caress her dainty body much more smoothly, so we used talc. This lead on to me giving oral for ages, which Peaches seemed to get into, and I loved watching her tight belly writhe as it happened.

After a while Peaches asked if I had O with or without, put a condom on and shortly after I had to ask her to stop... it was too effective! We then went into missionary and was intending to finish with Peaches on top, but her pussy was so tight and moist, and it felt really pleasurable. She pulled me in so deep that I decided to go for it. Very satisfying.
