The Premises:

Decent flat near the tube station clean enough but not enough towels and no tissue in the bathroom. Other than that the flat was ok

The Lady:

Charlotte - reasonably attractive brummy lass. Had a bit of a tummy, wouldnt really go out of my way to shag her.

Courtney - More attractive than charlotte despite the pics, had a nice body and nice ass. was really busy that day.

The Story:

Steve get a grip, club fantasy was my first party about 3 years ago and ive been 5 times usually go twice a year and the quality of the previous girls have always been top notch but this was dissapointing, where did u pick them up, courtney was shaggable but charlotte was really not cut out 4 this even though she tried all she seemed to do was drink wine and lie in bed make snide comments and roll her eyes everytime sum1 over 30 touched her, i know its not a great feeling to hav stranger ur not attracted to pork u but u gettin paid so at least pretend. Didnt get to do anything but stand around coz i was quite late and the girls were really busy. not sure ill be going back to steve's if i want to party ill stick to sacred rose as the ratio is less than steve's and the girls are of better quality. This is probably the 1st ever not so postive review ive posted here and ive been punting for over 3 years now and ive seen over 100 girls but i was quite dissapointed at how his standards have dropped. i would recommend simply because others may hav had a good time and disagree but i personally think this isnt the best party he's organised and i probably wont be goin back there anytime soon.

Service Provider's Rebuttal

The establishment writes:

I have to agree about Charlotte. This was her 1st party . I am always looking for fresh talent and

sometimes they do not achieve the standard I am looking for. At this party there were a maximum of 8 guests. Had you come for the complete 2 hrs, I'm sure you would have had much more time to play. There were 16 towels and lots of spare tissues and wipes. You only needed to ask. At just ?80 I think it's still the best value in London bar none. A word to me at the time may have helped with your concerns.
