Started of chatting to ellie then on to my front face down on the table for a relaxing talc massage then turned over onto front well she can certainly turn you on quick she?s lovely and once her top comes of well its like heaven then over onto the sofa she certainly knows how to give you a gr8 blow job deep thought whilst im caressing her large breasts then on to various positions depending

on what you like best whilst touching her all over 30 mins is to short a time with her I will be back definitely for an hour next time :-)
