The Premises:

Internally smart spacious Kensington duplex flat conveniently located near tube. The climb up the stairs (no lift) is just long enough to have your blood racing as you reach her door!

The Lady:

Striking, blonde, 32EE, toned and tanned, 29-year old English bombshell.

The Story:

My first meeting with her was last summer, when I came away with an overwhelming memory of her outstanding boobs and a fantastic blowjob ? so overwhelming a memory that anything else about our time together then is now a bit of a blur! I always intended to return, not only for a repeat of that first experience with her, but also to sample the rest of her and to enjoy her company in other ways.

On this occasion we started with Champagne. A little later, emerging from the shower, I found her, dress discarded, all ready on the bed displaying her gorgeous body, with her breasts barely contained by the sexiest of bras and a miniscule thong dividing the twin globes of her delicious bum. Joining her, we lay together as she generously and uninhibitedly gave of herself and her body for my pleasure and hers. Occasionally we broke for a sip of Champagne, a chat and a laugh, or simply a change of position. We did a bit of most things in an hour of pure pleasure. In the breaks she revealed herself to be a friendly personable girl, blonde, but certainly not dumb. I thoroughly enjoyed being with her, and went away smiling, knowing that I would be back. She's a great girl, with great looks and a great personality.
