The Story:

i wud probably say this was my worst ever punt, such a shame as she looked so promising. i shud have listened to the reviews on some of her other agency sites by other punters. now i have to say i am a good lookin 28 yr old, in great shape due to healthy living and working out regularly, but this girl behaved as if she was dealing wiv a 80 yr old with leprosy!

this girl probably typifies wot is wrong with many eastern europeans who r purely in it to make a quick buck, with no intention of giving people anything remotely close to their moneys worth. contrary to wot the agencies say, she doesnt kiss, sex was un-involving, i mite as well have fucked a blow up doll, probably wud have enjoyed it more. the only thing i enjoyed was her owo.

any instructions u give this girl are met with a tut, sigh and reluctance if she obliges at all. any attempt at conversation was met by cold answers, usually "u dont need to know". dont get me wrong, her english was perfectly adequate, but she has a major attitude problem and shudnt be doing this job with it. i wud rather have given the money to charity and this is a girl that has made me feel guilty for punting.

clock-watcher? u betcha, was eager to wrap things up 15 mins early and i cudnt be bothered to argue as she was really pissing the heck out of me. the quicker this sort of trash returns behind the iron-curtain the better. i implore punters to spend their money wisely, if u hav a bad experience like this, report it so others can stay away from the likes of her.
