The Lady:

Julie was working i have never seen her before so had to make a visit. well it says on the website she is in her early 50's dont let this put you off by anymeans she has a great body. she has long blonde hair size 12 and an amazing 34 ff bust that i just adore. julie enjoys her job it says well yes she does enjoy it very much so i dont think she can get enough sex she is a real nymph.

The Story:

many girls ive met through this dont enjoy what they do its just a bang and money to them. most of the girls ive met through silks however seem to really enjoy the job they love the sex and are genuinely horny. Julie has great oral skills infact i didnt think i would last long as she just hit that sweet spot and i couldnt hold back even though i payed for the full service i thought sod it and went for goal and within 20 mins had creamed her face, mouth and titsmmmmmm her nipples are mmmmmmm. Julie looks like she should be a school mistress for naughty boys lol i wish i wish she had been mine. i will see her again soon but i think im gona need a better job to be able to afford this hobby as ive become a bit regular and 3 visits a week has turned in to 5 this week already.
