The Premises:

Executive Suite has always been a reasonably decent and clean parlour, though for a while there was a meagre selection of ladies. It is now operated by Melissa, a buxom lady who also serves on some days as "Melissa the kisser"! The parlour is having a mild facelift and a bit of maintenance. An unusual feature is that money is required before you meet the girls - one has to blame the passing voyeurs for that. At ?40 inclusive of "O-without", it is good value.

The Lady:

I went to see Charlie on the basis of earlier Punternet reports. Aged around 30-32, she is a Lancashire lass with dark hair, pale skin and freckles. Pretty rather than beautiful, she is nicely fleshed out, if perhaps in danger of becoming rotund. She is partly shaven, with just a nice little patch remaining. She wasn't the "porn star stunna" I was led to expect; but nor was I disappointed.

The Story:

Charlie came in smiling and bubbly, and proceeded to kiss and cuddle nicely. She is reasonably versatile, although she says she rarely does "A". She soon moved to uncovered oral, which was both very nice and long-lasting. Then on the the mish, a bit of doggy, before going on to the finish. Afterwards, she stayed and chatted for a while; in fact she is quite a chatterbox! Overall, a nice punt.
