The Story:

What can I say? When I walked upstairs to find four stunning lingerie clad babes cavorting in front of me I thought to myself, I must be dreaming!

Pinching myself to see if I was still awake I looked down to see two stunning girls both sharing my growing cock between their eager mouths. Lucy the insatiable American teen lapdancer was wanking me in to petite blonde Chloe?s mouth.I looked around and realised that only I and two other lucky guys were there to attend to all four of these ladies, I had to try and hold back as these parties last for three hours! When Chloe slipped a condom on me however and got on top I found it too much to resist firing my load deep inside her!The next 2 hours 45 minutes are a blur of sexy naked bodies! A few more guys turned up in the last hour but I am told this party was quite quiet. Loads of one on one action with each of the ladies. Sable is stunning and I loved fucking her whilst she kissed and played with Lucy. Melinda is just beautiful and so sensual. All together a fantastic time was had!I am definately coming back for more!
