The Premises:

Pleasant, clean house just outside the centre of Bristol. Plenty of on-street parking ? seemed safe enough. She greeted me with a smile and we went straight upstairs where she introduced me to the bedroom and went off to get me a drink. Everything was fine up here ? porn playing on a TV, mirrors, various outfits hanging on display. There?s a lapdancing pole in the room at the foot of the bed. Paris doesn?t usually work Sundays but went out of her way to make this appointment.

The Lady:

Paris is of mixed race and has a very pleasing golden skin tone. Her figure is 34DD-27-39, so she?s all woman. Great breasts (enhanced I think, but well done) with good, responsive nipples. She was wearing stockings, high heels and lingerie, displaying fantastic cleavage.

The Story:

After a chat about me, her, her services and life in general, Paris did her trademark striptease and lapdance whilst I sat on the bed, with everything in easy reach. I was encouraged to touch, hold, feel and squeeze anything that came my way (which was everything!). She started to french kiss me ? no holding back with this. When naked (apart from stockings and high-heels, she took me in her mouth and gave me a slow, sensuous session of OWO. Very nice indeed. Then she moved around into 69 position. She tasted great and I licked away for a few minutes while she sucked me. Next time I?ll get her to lie down while I lick her ? I find that there?s too much going on in a 69er to concentrate. We then moved on to sex, with Paris on top. Her breasts were a marvellous sight at this point and there was plenty of vocal encouragement and more kissing. I came in this position. We had a friendly chat - she's very chatty, she cleaned me up and I went away a happy chap, feeling I'd known her for ages. I will return.
