The Premises:

The place was too small for the number of punters in it...clean towels and clean toilet facilities and well run bar...the house was discrete and well located very close to the barons court tube station

The Lady:

only 8 girls...there was an old granny too who I wont count anyway...!

The Story:

many ladies...mostly out of shape.....I went to an extravaganza party and was promised atleast 12-16 girls.....but there was only 8 of them. It was a huge disappointment and the experience was made worse as there were just too many punters..I would say atleast 40men....it was just totaly crap. Girls were doing their best except for a brazilian couple who fake screamed and joking in the middle of sex...just was a big turnoff

the idea is good...the venue is good...just needs some more girls to cope with the demand...or just limit the entry numbers at the door....and finally they should keep the promise..if said 12 girls, there must be 12...not 8
