The Story:

Peaches has had a good number of reports, all favourable as far as I remember. I just wanted to underline her professionalism in this report.

I had an 11 am booking but Peaches had been delayed. No problem to me as Paula on the desk is friendly and I was in no hurry. In fact when she did dash in I would have said let Peaches take her time before I saw her but as she told me later she was booked solid to 2 pm so was not able to get properly ready.

She came into the room after I'd showered with no make up on. I again wasn't at all bothered and rather liked seeing her look a little different but she was understandably a bit concerned.

We had a smashing punt with not the slightest hint of Peaches rushing or having her mind elsewhere. When I was getting dressed I suggested she dash off to do her face and got a lovely smile and kiss of gratitude. A terrific girl I'd love to see regularly.
