The Premises:

Super clean safe house. Very discreet. Safe free parking. Warmly welcome on arrival.

The Lady:

Paris is gorgeous, silky smooth dark skin. Everything in the right places, her figure is to die for, she's all woman. Great breasts very responsive nipples. She was wearing stockings, high heels and lingerie. Website site photos cannot do this lady justice, neither can the web pass on her bubbly personality.

The Story:

Words really are not enough to describe this event.....

Very friendly puts you at your ease straight away. No hidden catches or extras to pay for here.

Paris knows how to use her assets to give you what you want.

Super lapdance - that you are encouraged to "touch" throughout!

Toy show to stun you, which again you are encouraged to participate in.

Excellent oral skills - thought I had died and gone to heaven at one point.

All through the experience she gave plenty of encouragement and french kissing and really made me feel like I was the only one that mattered.
