### The Premises:

hard to find, but centrally located. Terrible bathroom, no hot water, adequate bedroom,

### The Lady:

Is the girl in the photos, but the photos present a cheery upbeat bunny blonde, instead she was thinner (got the drug chick thin look), and was morose in a Marlena Dietrich way...

Fake tits on a stick. If that turns you on, all power to you.

### The Story:

For ?200? I will keep this short, this was not a ?200 punt. It might be a ?150 punt if you like the heroin chic, but it was OK, completely forgettable.
