The Premises:

This is the first time I'd been here. It's not very salubrious from the outside. But once you use the proper entrance at the back, it's excellent. Manchester seems to have it sussed for smart European style brothels. I have been once to Sandy's Suuperstars. And although it was professional, I couldn't take to it. This place I loved from the start. A nice friendly welcome. An offer of a cup of tea. And there was a nice relaxed waiting area for the girls. I prefer it like this where punters are together, rather than places which go to extreme lengths to make sure you don't see any other guys.

The Lady:

Kristiana is gorgeous. Pretty face and a stunning body. She is about five feet seven or eight, long black hair, nice hour glass figure with large breasts.

The Story:

I deliberately waited for Kristiana. There was another girl available, but she was stick thin which is not my favourite look.

Anyway, I was absolutely right to hold on. I was delighted when Kristiana walked up the stairs before me, and I got a delightful view of her bum. She allowed me time to undress and relax. I was highly impressed with the room. It was clean, modern, and had a brilliant mirror set up.

Kristiana returned to start off with a massage, which turned into a body to body experience which felt divine. She gave some good attention to my cock and balls while I was face down. Flipped over, and I was eager to get my hands on those breasts. They felt great, and I had a good suck as well. Oral was good, with Kristiana doing a nice gentle run down my shaft with her tongue which felt especially nice.

We started off the sex with her on top. This was fine, but we didn't get into a groove with this. We swapped, and went doggy. This was 100 per cent the right choice. Kristiana has the perfect body for this with a bum that looks great spread out. Her breasts were swinging away as I thrust, and she enjoyed looking in the mirror as we fucked. It was good timing on my part, gradually increasing intensity to a great climax.

We had a brief chat afterwards. This wasn't a GFE experience. But that is no criticism. It was a top notch erotic parlour experience. This place just seems spot on to me from a friendly welcome to clean rooms to showers which work properly at the end. I just wish all parlours were as good as

this. No doubt as you can tell I will return on my next trip up North.
