The Premises:

spangles is a well known place in notts discreet parking and entrance feels very safe, a bit pricy because you have to meet with others punters waiting there and the rooms are very small with only a massage table

The Lady:

lisa is a very tall lady in her 20.s with long blonde hair small tits but nice arse . she is a very pleasant girl and chatty or it was with me she makes you feel good all the time downside as i said the massage table but not her fault.

The Story:

i enjoyed every second of it lisa gave me a very nice massage rubbing her hands and breasts on my back followed by a nice oral covered of course ,later lisa went on top as i requested a difficult task for her as she is very tall, at one point i thought the bench was gonna break so i ve told her to change position and she sat on the bench and opened her long legs giving me a perfect view of her clit nicely shaven and we kept going untill i couldnt hold any longer .overall lisa was good but not happy with the facilities going up and down to get change and up again to shower etc but try lisa she is a good experience
