The Premises:

The area is quite safe. Parking is easy after 5.00pm. Intimate Massage premises' entrance is quite discreet, the reception area is very welcoming and a little like a private club. The friendly receptionist, Gaby, offers soft drinks and coffee, there is a TV and lads mags to read while you wait for the lady. The rooms are all clean, spacious with air-con and have a jacuzzi type bath. Those of us who are used to grubby dives with broken doors and stained carpets will be pleasantly surprised.

The Lady:

Chloe is an attractive, intelligent, busty lady, I would say mid-thirties. She has lovely slim features, shortish brown hair, large enhanced boobs (but so soft that you wouldn't know), and a neatly trimmed pussy.

The Story:

We started off with a back massage, and she then moved her hands downwards, without much encouragement Chloe gave my balls and cock a good tickling and stroking from behind, I like this a lot and so many girls just don't have the knack (or the inclination). Chloe is very gentle and pays the right amount of attention to cock and balls. She asked me to turn over and then she put the rubber on for a bit of oral, she has a very good technique, then we tried a bit of french kissing. I was going to try some doggy, but

I wound up humping her from the side, which she seemed to enjoy, she made all the right noises, anyway. She finished me off with an oily and erotic wank and cleaned me up with tissues. There was no rush and we had a good chat before I left. All in all a very relaxing and erotic experience
