The Premises:

Clean, as described in my previous visit to this establishment. The maid was friendly & I felt relaxed.

The Lady:

Busty & cute per the website description. Not as tall as the site would have you believe. That is cos the heels they wear in the photos distorts her height (no shit sherlock, I hear you say). She wore an elctric blue dress & sexy boots. If I saw her in a club dressed like that we'd be having breakfast at the end of the night.

The Story:

She quickly dispensed of the dress and proceeded to give me a long, lingering hand job which culminated in me splashing over my stomach. Once I cleaned up it was onto round two. I fucked her doggy style. She smiled as we said our goodbyes. She's worth another pop, but first I might check out some of the other girls here. The ones I have seen are very pretty.
