The Premises:

Clean flat off Edgware Road, the area is safe and its easy to get to.

The Lady:

Yuki is a hot Japanese lady, she has nice lips, a nice smile, great legs and a great bum.

The Story:

Asked Yuki for A-Levels as well as everything else and she didn't dissapoint although this did cost me an extra ?50. Shame its still ?50 extra but this still seems to be standard with the Japanese girls unlike the Thai girls who offer it included. However Yuki gives you everyuthing thats promised on the tin and then some and this was worth every penny.

She sucked my cock slow and deep, before getting on all fours. Then I took my hard cock and rammed it up her arse, she seemed like it may have hurt a little, but she seemed to like it at the same time and she asked me to fuck her. I started off gently and then sped up a little and she asked me to fuck her harder while groaning. She then started rubbing her clit as I fucked her and I pulled her hair and really went at it, fucking her and spanking her bumcheeks until I couldn't control myself anymore and came. After this I laid next to Yuki in the bed and fingered her pussy, first with one finger, and then I got four fingers inside her and she was really wet as she grabbed my cock, then I was fully erect again and I fucked her in mish before turning her over and making her ride me until I came.

Yuki is a good sport and really likes to get fucked hard, she is also a really friendly girl so worth seeing.
