The Story:

shown to room by usual maid then natasha came in seconds later. exchanged monies then got down to business. started with a bit of french kissing and a fondle which gave me a boner straight away, then kissed all the way down to her pussy which was shaved also. gave her a right good toungeing session which she also enjoyed, natasha returned the favour brilliantly, so good infact i came with in minutes of her sucking. round 2 again had a kiss and fondle got aroused then i fucked her doogy facing the mirror grabing her huge tittys and screaming thr house down. i fucking enjoyed every minute there with her. truely a good fucking punt
