The Premises:

Lovely flat in upmarket central London location. Easy walk from Tube. Safe & public location yet very discrete. 2 bedrooms, 2 bathrooms and large lounge. Another room with love swing in it and used as changing room. Plenty of clean white towels and robes. In lounge complimentary drinks and hot & cold buffet.

The Lady:

5 Ladies partying as advertised on here. Sabrina, Tiffany, Daisy, Donna and Jasmine. Pictures on site are accurate if understated. As well as lovely, had great personalities.

The Story:

Found out about parties on here and thought them interesting and worth a try. Researching reports and websites, Lmp appealed the most. Plucking up courage, decided to attend today as it was billed a treat with extra girl but still maximum of 10.

Arrived promptly to be welcomed with a kiss from Lady M and all the girls and after a drink got changed and showered.

The next 2 hours passed in a blur. I cannot single out any girl as they were all great and different. They took the lead and were not mechanical and all seemed to really enjoy themselves. Although the party was fully booked, I still managed time on my own with Jasmine and Donna and that was unbelievable!

What quite surprised me was the social side of things. There seemed to be a mixture of new people and regulars. Everyone was very friendly and interesting and entertaining chat in the lounge. Rather than having to queue for the girls, Lady M was chasing guys into the bedroom as they seemed to be very comfortable. Along with her partner Moss, Lady M created a very relaxed and enjoyable atmosphere and the girls were very good at putting first time visitors like me at ease.

They kept to their promise on numbers and the maximum was 10, as advertised. The next party at 4 seemed to be fully booked as the phone rang throughout the party and Moss was apologetically informing people that they were fully booked.

Would I return? Yes. Great atmosphere, excellent hosts who seem to care and fantastic ladies. The feeling was a group of friends at a house party, not a commercial enterprise.

Would I recommend? Whole heartedly.
