### The Premises:

A very nice clean and modern apartment, with off road parking in what seems to be a fairly nice area.

### The Lady:

Tall, statuesque and curvy in the right places, dark hair and very attractive.

### The Story:

What a lovely young lady, she told me that another client had recently said that what he liked about her was that, 'she did what it said on the tin'. I don't think you can be any fairer than that!

After parking I up rang to say I was there, she gave me the number and buzzed me in. She greeted me very warmly as I entered the hallway and kissed me quite deeply as I had requested in our phone conversations. After pouring us both a fruit juice, it was fairly quickly through to the bedroom where we undressed each other until I was naked and she was wearing nothing but hold-ups and high heels. She then proceeded to give me the best oral I've ever had, finishing by swallowing the lot.

After this we chatted for while until I started to get horny again. I started by returning the oral favour to which she reacted most enthusiastically. After she came it was time to cover up and we had a round of fantastic doggy until I was finally drained, we then talked and cuddled for while, which as my previous experiences have been in parlours where I have sometimes felt rushed, Joanna is certainly no clock watcher. she is an absolute gem.
