The Story:

God hailey is a little fuckbunny. started with me eating her lovely tasting pussy and fingerfucking her until she came loud and long. then she performed a loud and sloppy bbbj taking me as deep as she could. she then used her vibe on her clit whilst i fucked her with another vibe which soon had her cumming again. when we moved to 69 i stuck a finger in her arse which she was ok with although she dont do a+. cowgirl followed then doggy and she pushed back at me begging me to slap her arse. this was too much for me and i unleashed 3 days worth of cum up her. after a short break i was hard again and she wanted me to cum in her mouth but despite more bbbj and watching her frig herself it just wasnt going to happen.never mind my time was up and after a quick shower i left. GUYS SEE HER FUCK HER YOU WONT REGRET IT.
